## From The Webmaster:

In an effort to keep all NEPR members informed of all of the upcoming rides and events, I have been reviewing the membership roster and list of persons subscribed to the new mailing list (nepr-mc@yahoo.com) and I have noticed a large number have not yet signed up for the new mailing list. I have sent out invitations to join via e-mail but have not gotten to all of the members yet. So here is your invitation. If you wish to be subscribed to the new nepr-mc Yahoo Group, Please, send me an e-mail at [kb6rih@adelphia.net](mailto:kb6rih@adelphia.net) and I will personally add you to the mailing list.

For those that aren't familiar with Yahoo Groups it is a free service from Yahoo that enables us to easily send e-mail reminders of upcoming events and rides, and to send club related messages to all persons that have signed up for this service

FYI

As of last Wednesday, Lindsay Sucowieski is the new membership co-ordinator. Lee and I have done it for 5 years but now retiring and hopefully plan on going to Florida for the winter months if we can find a place.

We have enjoyed doing the membership, it was fun and kept us busy. Actually we will miss the job. Anyway renewals should be sent to either Lindsay or John Rokita from now on, or pay Lindsay at the general meeting. We will miss everyone while in Florida but won't miss shoveling snow and will be back in the summer months.

We will be taking reservations for the Xmas party at the general meeting on Wednesday. The price of the party is \$ 20.00 and the final reservations and payment must be paid by the November meeting which is November 16th. The party is Dec. 3rd at Villa Maria (the same place as last year) on Washburn St. in Scranton. See Kelly or me for reservations.

Thanks,

Marge

A man entered the bus with both of his front pants pockets full of golf balls, and sat down next to a beautiful (you guessed it) blonde. The puzzled blonde kept looking at him and his bulging pockets. Finally, after many such glances from her, he said, "It's golf balls". Nevertheless, the blonde continued to look at him thoughtfully and finally, not being able to contain her curiosity any longer, asked.

Does it hurt as much as tennis elbow?"

Novembers Meeting will be interesting with both nominations and a bylaw discussion, Christmas Party reservations, and if you can donate or locate a door prize for party this would be great. Marge and Kelly have a list already.

Section 2 of Article 4:

1. A nominating committee consisting of three full members will present a slate of officers to the members at the November meeting of the club. Additional nominations may be made from the floor on the vote of the majority of the members present. Elections will be by secret mail ballot taking place between the November and December meetings. The Past president will chair

a committee of three, appointed by the Past President, to count the ballots and announce the winners at the December Meeting. Ballots will be retained until after the December Meeting to allow for challenges.

2. A discussion of Section 2 will be brought to the meeting to change third sentence that will read Election will be by secret ballot at the December Meeting.

3. Wyland has a committee picked and will be presenting slate of nominations.

Tony Tickowski asked if a phone line with recordings of monthly ride lists would be possible for members without internet. This is a great idea and the club will look into this. Would cost a few bucks a month but still possible.
